**Jill Zarin Book Launch Partee**

Last evening, Liz D. and I attended a book launch party for "Real Housewives of New York" star Jill Zarin's "Secrets of a Jewish Mother," written with her mammer and sister. The locale: Zarin Fabrics on Manhattan's Lower East Side. In attendance were fellow "Housewives" Ramona Singer, LuAnn de Lesseps, Kelly Bensimone and Bravo's handsome Andy Cohen, along with several hundred NYC fashionistas and social elite. One hell of a pretty crowd.
