**VIDEO: SO, LAST NIGHT, I MET THE "REAL  
HOUSEWIVES" COUNTESS...**

I have to be honest with you...

I'm sort of obsessed with the Countess from Bravo's *"Real Housewives of New York"*... and I'm not sure it's a "healthy obsession" for either of us...

Anyhoo, last night "UNNAMED AGENT" and I went to Jill Zarin's book release party...

Which, incidentally, was held at Zarin Fabrics, which is basically just a regular fabric store, and also happens to be right next to the THREE BUILDINGS that burnt to the ground in China Town last Sunday...

Needless to say, the party was hot as hell and bathed in elegance...

Anyhoo, "UNNAMED AGENT" and I got drunk on "JILL-TINIS", which I can only imagine were composed by mixing two-parts hairspray with one-part liquified BIG LEAGUE CHEW...

But, they did the job...

Obviously, once crinked beyond belief, I stalked the Countess (and her new boyfriend) like a HOMOSEXUAL JUNGLE-CAT, until I finally cornered her...

At that point, the details get a little fuzzy, but I'm relatively sure she made me swear to Jesus that I was a "big fan" of hers, and then... you know, like, litter her with meaningless compliments...

But, then, once she was drunk with flattery, I got her to "sing" her UPCOMING CLUB ANTHEM, "*Elegance Is Learned*"...

Oh. Fuck. Yes.

Needless to say, I hightailed it the hell out of Jill's party soon-thereafter, partly because I was overdosing on dilettante and partly because CAROLINE from *"Real Housewives of New Jersey"* threw a "Prison-Bitch lip-lick-wink combo" in my general direction...
