From PopEater: Jill Zarin Spills 'Secrets' on 'Toxic' Bethenny

While her feud with Bethenny Frankel heats up on Bravo's 'Real Housewives of New York City,' off-screen Jill Zarin has pushed the backlash aside to promote her debut book, 'Secrets of a Jewish Mother.' Co-written with her mother, Gloria Kamen, and sister, Lisa Wexler, 'Secrets' shares practical advice on everything from fashion and dating to money and motherhood.

This season of 'Housewives' has taken the fight between former best friends Bethany and Jill to a new level. "I keep getting judged on behavior I may have done already. I sort of wanted to let people know I have tried and I've been trying for six months. Should I bawl my brains out? What do you want me to do?" says Jill.

Jill sat down with **PopEater** to spill her thoughts on being snubbed from Bethenny's wedding, celebrity parenting and what to expect from the rest of this season of 'Housewives.'
