Jill Zarin Presents: A Secret Of A Jewish Mother!

The “realest” *Real Housewife of NYC*, **Jill Zarin**, isn’t posing with her new book “Secrets of a Jewish Mother,” but rather with an *actual* secret of a Jewish mother — a body shaper!

Every Jewish mother needs a body shaper, and **Jill** swears by [Kymaro](#)!

Zarin, along with her sister, **Lisa Wexler**, and mother, **Gloria Kamen**, celebrated the launch of their new book at — where else? — Zarin Fabrics in NYC on Tuesday (Apr 13).

Friends, family, socialites, radio & television personalities, publicists, and the like all came out to celebrate Jill’s newest venture.

And what’s a party without a few noshes? Jill kept it “Super(mother) Jew” by hiring Andrea Correale from Elegant Affairs, who cooked up some delicious latkes (with schmears), bagels and lox, and pigs in a blanket (which were Kosher, of course!)

A great time was had by all!
