Jill Zarin Recruits Bravo's Best for *Secrets of a Jewish Mother* Book Launch

It's a great night to be a New Yorker!

Real Housewife of New York **Jill Zarin** celebrated the launch of her new book *Secrets of a Jewish Mother* alongside co-authors sister **Lisa Wexler** and mom **Gloria Kamen** (third photo) Wednesday at the flagship Zarin Fabrics store in the Lower East Side.

Of course no party would be complete without support from your closest (and most famous) friends!

Poison Ivy spotted everyone from housewives **LuAnn de Lesseps** and **Kelly Bensimon** (top photo) to *Kell on Earth* powerhouse **Kelly Cutrone** (second photo) to Bravo maven **Andy Cohen** (fourth photo) to *Real Housewife of New Jersey* **Dina Manzo** (sixth photo)!

It was one big Bravo mobscene!!

Daughter **Ally** and husband **Bobby** were of course present to support their leading lady, and the more than 700 guests munched on Jewish treats like potatoes latkes with smoked salmon creme and apple chutney (fifth photo)!

We overheard an aspiring PR girl ask Cutrone for advice on how to make it in the industry, to which Cutrone replied, "Read my book!"

Classic!
